### Missed Practices:

If a student is going to miss practice due to a planned vacation or other schedule conflict, the number of missed days can be deducted from their overall cost. Please discuss with Mr. Lybeck as far in advance as possible to avoid any confusion or fee mishandling.

*Special note:* It is recommended that a student not miss more than two consecutive days or four days total of the overall course. Every moment of instruction counts, especially when learning at an accelerated rate.

### Other Costs:

Please know that the above listed price DOES NOT cover any instrument supply costs. Please see our website for a list of band supplies needed for your child's particular instrument.
